

Old Millhillians Club

Engineers' & scientists' dinner

Friday 6th May 2011

at

Bleeding Heart Restaurant

7.00pm for 7:45pm

Tickets: Seniors £59; Juniors (25 and under) £54

Dress: Lounge Suits

This year we shall try a new venue for the Engineers' and Scientists' Dinner; The Bleeding Heart Restaurant, Bleeding Heart Yard, off Greville Street, Hatton Garden, London EC1N 8SJ. The restaurant, which has been used for other OM dinners, is very close to Farringdon station.

Once again we are inviting all OMs who are either Engineers, Scientists or linked to the various professions to attend with their wives or partners.

As you know last years event had to be cancelled at the last moment due to insufficient numbers. This year I have brought the date forward once again, and returned to a central London location, in the hope of enabling more OMs to attend.

I have tried to keep the price to a reasonable level. It includes the 3 course meal and half a bottle of wine with the meal. We shall meet from 7pm at the Restaurant where we have a private dining room and cash bar.

Our Guests this year will include Mike Corby, President, and I am hoping that the Headmaster Dr Dominic Luckett will also be able to join us. As usual we shall also be joined by 2 aspiring engineering or science students from the school who will be accompanied by John Murphy who is new to the school as a physics teacher.
